A CONTRACTOR

26 June 195h

MEMORANDUM FOR: Comptroller

SUBJECT

Project

1. An Administrative Plan is in process of preparation for subject Project. However, it appears that some of the obstacles to be everouse in the implementation of the Administrative Plan cannot be overcome immediately and that this Plan will receive further study and consideration during the next few days.

2. The Director has spoken to me personally about this Project and has requested that a special effort be made to obligate these funds during Fiscal Year 195h. Accordingly, you are authorized to advance funds not to exceed from Fiscal Year 1954 funds without an Administrative Plan. The Project Administrative Planning Staff, in conjunction with the FE Division and other interested components, is in the process of preparing the Administrative Plan which should be ready within approximately two weeks.
